# PRESIDENT'S MESSAGE & REPORT

Fiscal Year 2018 - 2019  
July 1, 2018 - June 30, 2019

November 17, 2019

Dear members,

On behalf of the NJMTA Board of Directors, I would like to welcome you to our 2019 State Conference and Annual Membership Meeting at Westminster Choir College of Rider University. 2019 marks NJMTA's 65 years as a state affiliate of MTNA. As we continue to grow as an organization, here are some updates and changes that continue to keep NJMTA improving:

## Changes of Board Members and Updates

- Renae Block resigned from the President Elect position due to personal/family issue. She will not be the President next year.
- Tomoko Harada agreed to be the President Elect starting immediately until the end of the year of 2019. She will be the 2019 Conference Chair and will be the President in the beginning of January 2020. This change will make the President, President-Elect, and the Nomination Committee chair's terms to be extended till December 31, 2019. The board voted to change the term of these three positions to begin from January 1<sup>st</sup> and end on December 31<sup>st</sup> of the following year. The fiscal year term remains the same, July 1<sup>st</sup> – June 30.
- Eva Kastner-Puschl has resigned from the Secretary position due to her new job.
- Christine Chan has resigned from the Treasurer position due to family relocation.
- Richard Woo is now the Treasurer.
- Christina Xie is now the Auditor.
- Suzanne Lehrer is now in charge of the Performathon event. The Performathon was held on February 2, 2019.
- We have been continuing to email Monthly Email Blast to members. It has helped us to make the announcements and reminders much easier to our membership, and also keep the news up to date.
- NJMTA is now working with a new account firm, Princeton Financial Group, which is located in the Princeton area, making it much easier for the Treasurer and the Auditor to access.

- Christina Xie and Richard Woo have been working very hard this year to bring NJMTA's financial condition up to date and clear. All of the taxes that had been previously backed up have been filed.
- On behalf of NJMTA, I would like to express our deep appreciation for the hard work and dedication that all of these incoming and outgoing chairpersons who have given and continue to give to this organization.

**MTNA Competition Winner: Congratulations to Elizabeth Yang and James Yang, students of Grace Yang, 2<sup>nd</sup> place recipients in the Senior Piano Duo category at the national level of the MTNA Competitions!**

- ❖ 2018 Teacher of the Year Award was awarded to Sandra Tamnam
- ❖ 2018 Service award was awarded to Chiu-Ling Lin

As you review the remainder of the Annual Reports submitted by board members and chairpersons, you will see just how much our organization continues to thrive in the hands of so many capable and talented individuals. We are grateful to have such a great team to work together and grow together. We are looking forward for another great year and serve even more teachers in New Jersey.

Sincerely,

Ting Ting Lien, NCTM

- Awarding our past and present High School Scholarship Competition winners who are pursuing music study in college (\$2,500 this past year)

For reference, here are the numbers from four years ago and eight years ago: \$21,170 profit (2014-2015) and \$18,605 (2010-2011). We made less profit this year than in these two previous years.

# NJMTA PROFESSIONAL CERTIFICATION

**Marcia J Yurko**

## **Accomplished:**

1. Continue promoting the addition of NCTM as the title for all Nationally Certified Teachers of Music. We are bringing awareness of MTNA National Certification to the public. When the NCTM teachers' name appears in any publication, the abbreviation NCTM should follow the name. Eg. Marcia Yurko, NCTM.
2. EVERY teacher who has successfully gone through the NCTM process is qualified to receive a \$50 check for partial reimbursement of application fee.
3. In the year 2018-2019 there are two teachers who have submitted applications for MTNA Certification. Currently we have 45 Nationally Certified Teachers in New Jersey.
4. Acknowledgement of new NCTM members at the conference and presenting NCTM pins to the new NCTM teachers in public.
5. New Jersey is now ranking #45 statistically for National Certification out of 51 states.
6. Sondra Tammam became Nationally Certified through the Administrative Verification Process on January 22, 2019

## **In Process:**

1. Introducing and reinforcing the new NCTM application process with interested teachers. This includes explaining the process and answering all questions. Marcia Yurko has been supporting the current applicant for certification.
2. Collecting ideas to get more recognition for all NCTM teachers.
3. Collecting ideas and information for promoting NCTM program from different states and MTNA.
4. Planning and developing Flyers for NCTM promotion.
5. Looking for NCTM teachers to become mentors for future NCTM applicants. We should have a mentor for South Jersey, Central New Jersey and Northern New Jersey.
6. Keeping the list of NCTM current on NJMTA website.

## **Recommendations:**

1. Find NJMTA teachers who are teaching fulltime or part-time at the college level and inform them they are eligible to apply for certification through the Administrative Verification Process. A flyer describing this process should be available at the certification display table at every convention.

# ARTS ADVOCACY

**Betty Stoloff**

## **The 2019 Performathon:**

The 2019 Children Helping Children Performathon was held on February 2<sup>nd</sup>. and 3<sup>rd</sup>. The 12 recitals were held in The Playhouse on the campus of Westminster Choir College of Rider University.

The NJMTA Children Helping Children Performathon, once again provided a rewarding music experience for students of all ages and levels of advancement. This year, performers raised money for HomeFront's Joy, Hopes and Dreams program. The 2019 Performathon raised \$11,600.

- Thanks to Westminster Choir College for donating the hall space for the Performathon.
- Thanks to all of the NJMTA teachers and students for taking time to make this event part of their lives.
- Thanks to the NJMTA Board for making the Performathon possible.
- A special thank you to the following Board members for their strong participation in the 2019 Performathon: Renae Block, Betty Stoloff, Ting Ting Lien, Phyllis Lehrer, Ingrid Clarfield, Richard Woo.

## **NJMTA Performs:**

This fall we are starting this new program. We are organizing and presenting NJMTA Members' concerts at Assisted Living and Senior Citizens Facilities.

Our first concert will be held on October 24<sup>th</sup> at Acorn Glen, an Assisted Living Residence in Princeton. Thank you to our performers: Chiu-Ling Lin, Amy Tu, Yevgeny Morozov, Ingrid Tang, Christina Xie, Wennie Kao and Betty Stoloff for a most entertaining program.

Stay tuned as we expand this NJMTA Music Performance venture.

# COMMUNITY OUTREACH

**Yelena Masotti**

This year's Communiversity was a great success. Communiversity is a very important annual arts and music event for the Princeton area in particular, and it's great that we are able to participate every year. It gives a chance to introduce our organization to a diverse audience. Fellow members have a chance to advertise their music studios and have their students perform publicly. I really appreciated working together alongside fellow NJMTA members again this year, and I hope more members will have a chance to participate in 2020.

Our booth had a great central location on Witherspoon street. Our setting this year was a comfortable place to perform while at the same time providing considerable exposure to passersby. Thankfully, our spot had no other competition sound-wise!

Performances were given by many different instruments throughout the day. Because keyboard playing could not be accommodated due to a difficulty finding an accessible electrical outlet, I'm hoping that next year we'll be able to support performances by piano students.

I especially want to thank fellow members Susan Lehrer for creating the sign up letter and Amy Tu for allowing her talented students to participate.

I'm already looking forward for next year's event!

# HIGH SCHOOL SCHOLARSHIP COMPETITION

**Richard Woo, Chairperson**

Every year, NJMTA awards two scholarships to high school seniors who are pursuing music as a major in college. One scholarship is awarded to a student pursuing *Music Performance*, and a second scholarship is awarded to a student pursuing either *Music Education* or *Pedagogy*. Contestants are evaluated on their performance of a 30-minute program, their past participation in NJMTA events, and an essay stating their musical goals, their vision for the community in music, and what they hope to learn in college.

In the November 2018 competition, NJMTA awarded **Kelsey Lee** (teacher: Beatrice Long) a \$2,500 scholarship to be applied to her college studies. She is pursuing a dual degree in Piano Performance and Mathematics at the University of Rochester (Eastman School of Music). NJMTA declared **Sherwin Pan** (teacher: Chiu-Tze Lin) the alternate based on his high marks in the competition. He is pursuing a dual degree in Piano Performance and Economics at Northwestern University (Bienen School of Music). There were no applicants in the *Music Education/Pedagogy* category.

Best of luck to contestants this year, and I look forward to continuing my work with this NJMTA scholarship opportunity for high school seniors going forward!
